

SUPPORT PARIS BRAIN INSTITUTE FROM PORTUGAL

Transnational Giving Europe

TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.

Please note that at present, due to legal and fiscal regulations, Fundação Oriente in Portugal only operates as a receiving partner, guaranteeing due diligence for Portuguese organisations. Outgoing donations from Portugal cannot be transferred through the TGE network.

If you are resident in Portugal and wish to make a donation, please inform Paris Brain Institute:
